10U – all Divisions	4 players			
9U – all Divisions	4 players			
8U – all Divisions	4 players			

All participating and potential participating team players must be LTA Advantage Members with their Advantage membership number linked to the club that they are representing. Clubs should have as policy that new members do this at the time of joining the club. All junior players on club programmes, who may represent the club in age group competitions in the future, should do the same.

It is important to stress to parents that the membership number must be linked to the club.

Joining is easy and free of charge - www.lta.org.uk/advantage
