At least 15 minutes before the start time of each fixture, team captains must nominate in writing, on a scorecard, their singles players in order of their ITF World Tennis Number singles band i.e., 20.0-20.9 is band 20. An ATP/WTA singles world ranking must take precedence over a player's ITF World Tennis Number. If two or more players are within the same ITF World Tennis Number band (or no ITF World Tennis Number), the team captain can decide the team playing order which may change from fixture to fixture. Team Captains are encouraged, in the spirit of providing an enjoyable and competitive experience, to nominate in order of playing standard i.e., strongest player should play as singles 1, second strongest player as singles 2 and so on. At the same time, captains shall provide the name of any other player(s) who may be selected for the doubles only. Please see below the ITF World Tennis Number (singles) bands:

Doubles Nominations

The team captains shall nominate in writing their doubles pairings 15 minutes after the singles rubbers have been completed. All players nominated for doubles must be on site at the time of nomination. The doubles pairings shall be nominated in accordance with the sum of the singles positions of the players in each pairing (see below). Where players are nominated for the doubles rubber(s) only then his/her singles position shall be regarded as:

Number 5 in the case of the 'doubles only player' with the higher singles ITF World Tennis Number band (or current ATP/WTA ranking)

Number 6 in the case of the 'doubles only player' with the lower singles ITF World Tennis Number band

If singles player number 1 plays with 5 and singles player 2 plays with 3 then 2 and 3 shall be the first pair. Where the total is the same, the pairing which includes the player who played in the highest order singles match shall be nominated as the first pair (e.g., if the pairings are 1 + 4 and 2 + 3, then 1 + 4 must be nominated as the first pair). If one player from a team of 4 is unable to play doubles, the nominated pair must play number 1.

In the mixed event, the men's singles matches will be matches 1&2 and the women's singles matches will be 3&4. This will be followed by two mixed doubles matches. Doubles pair 1 and doubles pair 2 will be decided using the nomination process above.

Singles & Doubles	Tie-break at 6-6	Match Tie-break (to 10 points, 2 clear at 9-9)

14.10 Match Scoring

A team is awarded 2 points for each rubber won.

At 6 points each a tie-break shoot-out shall be played. No bonus rubber point will be awarded to the winning team in a tie-break shoot-out. A tie-break shoot-out shall consist of two singles tie breaks (to 10 points, with 2 clear) followed by a doubles tie-break (to 10 points, with 2 clear) if necessary. In the event that a team is reduced to 3 players, that team must concede the doubles tie-break. In the event that both teams are reduced to 3 players and the singles tie-breaks are shared, a deciding doubles tie-break (to 10 points, with 2 clear) shall be played between the remaining player and one of the singles shoot-out players. No substitutions or changes are permitted to the players who originally competed in the match. No player may play in more than one tie-break. Players are to be nominated as follows:

Tie-break 1 (Singles): One of the original players from the 1st/2nd singles rubbers.

Tie-break 2 (Singles): One of the original players from the 3rd/4th singles rubbers.

Tie-break 3 (Doubles): A pairing comprising any two of the other players who have played in the match.

Both singles tie-breaks must take place at the same time.

14.11 Match Result

The team with the most rubber points shall win the match, in the event of a tie, the winner of the tie-break shoot-out will win the match. A team will receive 2 match points on the league table for a match win.

Both captains must complete and sign the National League scorecards and retain their copy. The winning captain must then submit the result online within 48 hours. The result may be added by the losing team captain if agreed on match day. Any teams found guilty of submitting false results shall be subject to rule 17.2.

14.12 Division Standings

The final standings in each division shall be determined by the following:

- I. The team with the greatest number of match points.
- II. If match points are equal, the team with the greatest number of rubber points.
- III. If only two teams are level on match points and rubber points: their head-to-head result.
- IV. If more than 2 teams are level, the round robin rule in the LTA Competition Regulations will determine the league standings.

Problem Solving Issues & Regulations (All age groups, all tiers)

15. Problem Solving Issues

15.1 Late Arrival

If any nominated player is not ready to play within 15 minutes of a rubber due on court, then the opposing team shall be awarded a walkover for this rubber (by a score of 6-0, 6-0). No substitutions or alteration to the nominations or playing order may be made. The player concerned shall be permitted to play a doubles rubber (and tie-break shoot-out) provided he/she is ready to play when the doubles rubber is due on court. If he/she is not ready when the doubles rubber is due on court the team will be deemed 'incomplete' and Rules 16.2 and 16.6 will apply.

In the event that the entire away team is going to be late for extenuating circumstances (e.g., motorway closure etc) and has contacted the home team in good time, a reasonable degree of flexibility on start time should be shown by the home team.

15.2 Incomplete Teams

If a venue is unable to field a complete team for the whole fixture, then they shall first forfeit the lowest singles rubber and the second doubles rubber, followed by the next lowest rubber and so on. Incomplete teams will begin the fixture with 3 rubber points deducted where one player is missing and 6 rubber points from their match score where two players are missing. For example, an incomplete team consisting of 3 players will begin on -3 rubber points and will play 3 singles and 1 doubles rubber only. If the incomplete team win 3 rubbers (+6 rubber points) and lose 1 rubber the overall match score will be 6-3 to the complete team. As such no tie-break shootout is to be played.

The complete team shall be deemed to have won the forfeited rubbers by a score of 6-0 6-0. Where one team is incomplete, the complete team may play any two of the nominated players as the No 1 doubles pair. When it is known before the match that one team is going to be incomplete, the lowest nominated singles player(s) of the opposing team does not have to be present for the fixture.

15.3 Player Retirement

If a player retires during a rubber, the opponent shall be deemed to have won all the remaining games and sets necessary to win the rubber. The player retiring from the rubber shall be eligible to compete in any remaining rubbers/tie-break shoot-out.

15.4 Completion of Matches (due to inclement weather)

If play is suspended after a match has started, then the match shall resume at the point of suspension.

If a match cannot be started due to rain or rain stops play before any rubbers have been completed, then the match may be rearranged on or before the rain date at the original venue as set by the League Organiser. New nominations may be submitted, and the match can be restarted. At the discretion of the league organiser, the home venue of a fixture may be reversed in the case of inclement weather and/or courts being unfit for play.

If a team has two matches rained off and schedules the first rained off match for the official rain date and cannot play the second rained off match prior to the rain date, then this second rained off match will be halved with both teams receiving 6 rubber points and 1 match point each. Where promotion/relegation is not affected, matches that are rained off on the agreed rain date will be halved with both teams receiving 6 rubber points and 1 match point each.

Where one or more rubbers have been completed, then the winner of the match shall be the team winning the greatest number of completed rubbers. 2 points shall be awarded for each completed rubber with any remaining points shared. For the purposes of final league placing calculations, the incomplete and unplayed rubbers shall be deemed shared by a score of 6-4, 4-6. Should each team have won an equal number of rubbers then each team shall receive 6 rubber points and 1 match point.

15.5 Team Withdrawal

County Tier -

In the event of a team being unable to fulfil a fixture, on the first occurrence, their opponents shall record 12 rubbers and 2 match points, at the discretion of the league organiser. Should the team not fulfil a second fixture, they shall take no further part in the competition. Once a team has been withdrawn, they shall take no further part in the competition. All results against this team will be declared null and void for the purposes of determining the final placing in its group. However, the League Organiser shall have the power to consider a team's position regarding a team walkover with extenuating circumstances, in which case the team receiving the walkover will win all rubbers 6-0, 6-0, and will receive 12 rubber points and a match win.

League organisers may at their discretion allow a team to fulfil their remaining fixtures following a walkover. However, the team will be retired at the end of the league season and as such all results will not be counted in the final league standings calculation.

15.6 Playing out of order / Ineligible Player(s)

If players play out of order, then the singles rubbers involving those players shall be forfeited.

If an ineligible player competes then the singles rubber involving the player concerned, and all singles rubbers lower in the team order shall be forfeited. Any completed matches may stand for the purposes of ITF World Tennis Number and the match score must remain in place,

however, the overall team score for that particular match will be awarded to the opposing team. In addition, that team shall have 3 rubber points deducted from their match score for each ineligible player.

If both teams field a player out of order or an ineligible player, then each team shall be deemed to have lost the singles rubber in a similar manner. Likewise, if a team fields an ineligible player as a doubles only player they shall forfeit that rubber. Where doubles pairings are not in line with Rule 6.7/9.7/12.7/15.7 that team shall forfeit both doubles rubbers.

In the event of a match result being overturned by the League Organiser after the match has been completed which then results in a score of 6 points each then both teams will be awarded a half win (1 match point each). For 8&U/9&U/10&U/11&U age groups any forfeited/incomplete scores (as highlighted in rules 16.1-16.6) will be subject to the appropriate scoring format for that age group.

- 15.7 For those teams in the National and Regional tiers, if any disputes occur on the day during the fixture that can't be resolved using the above regulations, the 'on call' referee must be contacted to help resolve any disputes.

16. Regulations

- 16.1 All matches in the Competition shall be conducted in accordance with the ITF Rules of Tennis, the Rules and Regulations of the LTA, the LTA Competition Regulations, the LTA Code of Conduct and the National League Competition Regulations (in the event of any inconsistency, the National League Regulations shall prevail). Each player participating in the competition grants and assigns to the LTA the right to make, use and show from time to time and at its discretion, motion pictures, still pictures and live taped or filmed television and other reproduction of him/her during the event and in connection with the promotion of the event without compensation for him/herself. - 16.2 The day-to-day organisation of the Competition shall be carried out by the League Organiser under the auspices of the LTA Competitions Team (CT). The Competition is sanctioned by the LTA under the management of the CT. The CT shall have the power to decide on matters of interpretation of these regulations, to impose penalties including, but not limited to, the deduction of points and suspension for breaches of these Regulations; to suspend or modify any of these Regulations in appropriate circumstances. The CT decision on all matters is final.
- 16.3 Any complaint/dispute shall be made in writing on email to the League Organiser (copying in nationalleague@LTA.org.uk) by the team captain within 48 hours of the complaint/dispute arising. Nevertheless, the League Organiser/CT shall have the power to consider any matter coming to their attention subsequently.
- 16.4 All players are subject to the Rules and Regulations of the LTA (including, without limitation, the LTA's Anti-Doping Programme, the Disciplinary and Dispute Resolution Procedures and the Regulations Concerning Match Fixing, Financial Speculation and Betting) and fully and unconditionally submit to the jurisdiction and authority of the LTA by competing in the Competition.
- 16.5 Where a LTA registered venue is suspended, the LTA Competitions Team shall determine if the venue shall play any further part in the current or further stages of the Competition.
