TENNIS WEST OF SCOTLAND

TEAM ENTRIES –SUMMER 2021

Thank you for submitting your entries for this spring and summer's league and cup competitions. Draws have now been carried out and leagues compiled. Please note that the 55 & Over KO competition has been rescheduled and will be played in the WINTER 2021 season.

With no handbook being published, clubs now have responsibility for ensuring that team captains' details are accurate. Information can be amended at any time by logging in, double clicking on team name and then on 'Edit team'.

SUMMER DOUBLES LEAGUE

Fixtures have been scheduled in most competitions and those are now published online. However, match dates in the men's and women's summer doubles league in Division 2 and onwards still require to be arranged and, as per December's Zoom Club Meeting, this will be on the basis of the 2020 match date as adjusted for 2021 e.g. a match scheduled for Wednesday 9th June 2020 would be scheduled for Wednesday 8th June 2021. Friday 16th July is now the planned end of this competition period.

NEXT STEP #1 February 21st – 5th March

Login:

Password:

1. Click on the link above
2. Login via 'admin login' using login and password above
After logging in, click on the 'Clubs' tab at top of page then click on your club name and then on 'All teams'. A list of teams and their divisions will show.
3. Find Division and match
4. 'Reschedule match' to the date which was agreed at the captains' meeting last year
5. Save
6. Repeat for all other matches.

This step will work better if one person in each club takes responsibility for carrying out.

NEXT STEP #2 March 6th – March 13th

All clubs check dates online and contact opponents to sort out any queries. The software only has contact details for team captains so please bring them up to speed with the process. Contact details can be found by 'double clicking' on a team's name in a division

NEXT STEP #3 March 14th – March 28th

It is anticipated that there will remain a number of matches not scheduled. In this period, please contact other team captains to agree a date which should then be recorded online. New teams for 2021 will need to be flexible with dates at this stage. Each club will need a person to oversee this stage so that no date clashes occur.

NEXT STEP #4 March 29th – April 21st

Each club collates all fixtures together with dates for other competitions.

[Dunlop West of Scotland Calcutta Cup Competitions 2021](#)

[West of Scotland National League Summer 2021](#)

Dates of fixtures should continue to be recorded online up to and no later than Friday 9th April. A list of matches with no dates has been issued to every club for information.

As agreed at the zoom meeting for clubs, nomination of players for the Summer Doubles and 60+ leagues will now be carried out online and, if the competition start date remains as 26th April, **must be completed by Wednesday 21st April**. A 'How to' guideline can be found at <https://www.tenniswos.co.uk/2021-league-cup-competition.html>

Although there is no obligation to nominate players for a club's lowest team, it will prove useful to team captatins when recording match scores. A player may only be nominated for one team before the start date although he or she will require to be added to a higher team's list if they 'play up'. 'Playing up' rules remain unchanged in 2021.

Premier league teams must also email an 1-10 order of nominated players by the above date. A downloadable form to do this can also be found at the above link.

The online nomination process will be reviewed at the end of the season.

The **Dunlop Fort** ball must be used in all competitions staged by Tennis West of Scotland.

Stringsports.co.uk offers a competitive rate for balls and also supports Tennis West of Scotland.
