

RULES OF LEAGUE AND CUP COMPETITIONS SUMMER & WINTER SEASONS 2022

National League West of Scotland

8u – 18u Junior Leagues & Adult Mixed League

<https://www.tenniswos.co.uk/2022-league--cup-competition.html>

General Rules for all Tennis West of Scotland competitions

www.tenniswos.co.uk

Qualification

1. The league and cup competitions shall be open to clubs and tennis venues affiliated to Tennis West of Scotland, a Company limited by guarantee. A club or venue becomes affiliated once it has entered a team online into that season's staged competitions and has paid its annual affiliation fee which is set at the Annual General Meeting of the Company.
Team entries will be not accepted from any club which has outstanding team entry fees from the previous season.
2. A club or tennis venue wishing to compete shall enter competitions online by an entry date notified to clubs. An entry fee per team as determined at the Annual General Meeting shall be paid by a date set by the Company.
3. All players who participate in competitions must have an Advantage [formerly British Tennis] Membership and/or World Tennis Number which links to the place to play they are competing for.
 - **To become an Advantage Member – www.lta.org.uk/advantage – and remember to link your membership number to your club by 'managing your venue' when you log in to your personal player profile.**
4. The playing year will be split into two Seasons-- the Summer Season will run from 1st March until 31st July and the Winter Season will run from 1st August until the end of February. No adult shall be allowed to play for more than one club in West of Scotland competitions during either of these seasons. An adult player may compete for a different club of which he or she is a member and to which his or her Advantage

[formerly British Tennis] Membership number is linked, in any league or cup competition only **if that player's club has not entered any team into that competition.**

5. A junior player may represent one club in junior league and cup competitions and another club in adult league and cup competitions, in the same season, so long as the player has his/her Advantage membership number linked to both clubs. **Junior players may play in up to two age groups in the National League Summer season and up to two age groups in the National League Winter season.**

FAQ An Advantage Member's membership number may be linked to more than one club.

Arbitration

The LTA Code of Conduct will apply to all players who compete in West of Scotland league and cup competition matches

6. All questions of eligibility, qualification of competitors, or interpretation of rules shall be referred firstly to the League Manager and, if required, to the appropriate Committee or Board, whose decision shall be final.
7. Any dispute arising between clubs shall be referred firstly to the League Manager and, if required, to the appropriate Committee or Board, whose decision shall be final and binding on both clubs. Should either of the two clubs have a member on that sub-committee, such member(s) shall not participate in voting on the dispute or protest.
8. Complaints relating to any incident occurring during a fixture should be in the hands of the League Manager within 7 days of the date of the fixture.
9. The day-to-day organisation of the league and cup competitions shall be carried out by the League Manager under the auspices of the Tennis West of Scotland Board of Directors. The League Manager shall have the power to decide on matters of interpretation of these regulations, to impose penalties including, but not limited to, the deduction of points and suspension for breaches of these Regulations; to suspend or modify any of these Regulations in appropriate circumstances.
The League Manager's decision on all matters is final.
10. The Board may delegate all or any of the powers given to them under these rules to a sub-committee appointed by them for the purpose.
11. The Board shall have power to alter or add to these rules as they may from time to time deem expedient, as well as to introduce other competitions and determine the structure and composition of divisions and sections.

Arrangement of Fixtures

12. All matches shall be arranged at a meeting of team captains, specially convened for the purpose, at which all competing clubs must be represented. The Board shall fix dates between which matches shall be played i.e. the competition period.
 - a) Fixtures for the Premier and First Divisions of the summer doubles leagues, together with fixtures for the Spring Singles Competition, the 60 & Over League Competition and National League competitions, will be fixed by the League Manager. If it is not possible to hold a meeting of captains then the League Manager may schedule fixtures in additional divisions of any league. Scheduled dates may thereafter be changed up to a date set by the League Manager if both captains agree to do so.
 - b) For all matches, the home team captain must confirm arrangements for the match, by text or by telephone call, with the away captain at least 5 days before the match date.
 - c) Arrangements for post-match hospitality were discussed at pre-season meetings of club representatives. These are appended as APPENDIX 3
 - d) Matches will be played outdoors. The safety of players is the responsibility of the home venue and current government guidelines must be adhered to for the duration of the competition. Any club which does not follow such guidelines will be asked to withdraw all its teams if no appropriate steps are taken to comply with these guidelines.
 - e) A match may be played indoors but only if guidelines permit at the time of the match and both team captains have agreed in advance.
 - f) A club may not participate if toilet facilities are not available for all players.
 - g) The safety of players is the responsibility of the home venue.
13. The club on whose ground the match is played shall provide at least three approved new balls per court but, if the match is played on neutral ground, such expenses shall be divided between the competing clubs unless otherwise arranged.
14. The official ball for all West of Scotland events is the Dunlop Fort ball.
15. Clubs with fewer than three courts shall not be eligible to take part in the competitions unless they are prepared (if called on to do so by their opponents) to play their matches on their opponent's courts, always provided that the opponents have three courts available. The club on whose ground the match is played shall provide balls.

This rule does not apply to clubs with two all-weather courts and floodlights.

Recording Match Scores

16. In all league and cup competitions, the winning team captain must record player details for both teams and the individual set scores for all rubbers played **within 24 hours** of the match being completed.

Each team captain will be issued with a login and password to provide online access.

17. **Walkovers must NOT be entered online** by a team captain but the details of any claim for a walkover should be e-mailed to the county office, copying the opposing team captain into any correspondence - otherwise the claim will be disregarded. The League Manager will decide whether a walkover is merited and will record the walkover online and award appropriate penalty points to the team forfeiting the match.

18. **If an 'unknown player' is selected, a comment MUST** be added to the online match scorecard to provide the player's name and Advantage [formerly British Tennis] membership number or World Tennis Number if known.

If a player cannot be 'found', it is most likely that the player's Advantage membership is not linked to his or her club. It is the responsibility of the player's club to sort this, as a matter of urgency, otherwise the player is not eligible to represent the club.

19. 24 hours after completion of the match, it is the responsibility of the losing team captain to check the recorded result and notify the county office by e-mail if there is any related query.

20. Team captains should be made aware **that data cannot be edited** after being submitted and confirmed. Any error must be notified to the league organiser – either online or by email - within 48 hours of the match being completed.

21. Final dates for the online submission of match scores will be published online and on the web site. Once final league standings have been published by the county office, no amendments will be made to the standings unless an error has been made by the county office.

22. Team Captains are advised to check online leagues on a regular basis and report problems to the county office, either by e-mail or by comment on the tournament software web site, throughout the period of competition.

At the end of the competition period, the appropriate penalty will be incurred by both teams in any match for which no match score has been recorded online i.e. the match will be deemed not to have been played.

Postponements and Cancellations

23. In exceptional circumstances, and only if mutually agreed by the clubs concerned, the date of any match in Division 2 or below may be altered to a new date within the competition period set for that competition. The home team captain must reschedule the match date online as soon as possible after agreement is made.

An date should only be changed in very exceptional circumstances.agreed

24. Any club intending to concede a match shall advise the League Manager by email before the date agreed upon for playing and must copy in the opposing team captain. Careful consideration should be given to any potential concession as it has a very negative impact on all other teams in the division.

25. In the cases of matches postponed on account of the weather or not concluded owing to an agreed time limit or interruption, the home Team Captain must offer three dates on which to conclude the match to the visiting Team Captain. This offer must be made within three days after the original date of the match.

Such rescheduled matches shall be played as soon as possible. In the event of clubs not reaching agreement within seven days of the original date, notification of this failure to agree a date must be sent by the Secretary of the home club to the League Manager who will then fix a date for the match to be played.

In the Premier Division and Division 1 of the men's and women's leagues, postponed matches must be arranged to be concluded before the date of the last scheduled match in that 'stage' of the competition. If the last scheduled match in any stage is postponed, it must be played at least 3 days before Stage 2 commences or one week after the date of the postponed Stage 2 match or before if mutually agreed by both captains.

If the match is not played on this date, neither team will be awarded points.

26. An entry fee is due for any competition in which the majority of teams have played two or more matches.

Rules of Play

27. All midweek adult league matches (except those being played during May, June and July) shall start not later than 6.30 p.m. unless mutually agreed by the clubs concerned or unless, owing to exceptional circumstances, the League Manager shall have, in advance, approved a later start.

During May, June and July, such matches shall start not earlier than 7.00 p.m. unless both captains agree to an earlier start time.

28. Teams and pairs within teams shall be played in order of playing strength as **determined by the team captain**, and captains, if requested, shall provide written copies of their teams in order of pairing prior to going on court. Once an ORDER of pairs in a team has been established in any one competition, this order cannot be reversed.

Example

If Players A and B play together at second pair above Players C and D who play together at third pair then C+D as a pair can never in a future match that season play above A+B as a pair. C or D could partner another player and play above A+B as a pair. Similarly, A or B could partner another player and play below C+D as a pair.

Any two players, playing up from a lower team and paired together, must be placed in order below any other pair containing a player nominated for the higher team.

FAQ

A player who is playing up from a lower team, and partnering a nominated player of the higher team, can play at any position in the higher team. This does not apply to a player 'playing up' into a Premier League team when Rule 30 applies.

Refer also to **APPENDIX 4** below

29. (a) In the Men's and Women's Premier leagues, clubs must list **not more than 10 nominated players in ranked order** by the deadline date set by the League Manager. At the start of each match, a team's doubles pairings will be nominated in accordance with the lowest cumulative total of the nominated positions of the players. A player who is nominated for a lower team will have a ranking of 10. Where the total is the same, the pairing with the highest ranked player shall be nominated as the higher pair.

Examples

Example1

If the players nominated at positions 2 and 6 play as a pair, and the players nominated at positions 3 and 5 play as a pair then pair (2+6) would play above pair (3+5).

Example 2

If player 1 partners a player nominated for the club's second team (1+10) then this pair would play above a pair (5+6).

- (b) Any player who is selected to play in the last scheduled Stage 1 match in the Premier and Division 1/1 and Division 1/2 must have represented the club in that competition in that season or the previous season.

30. In the **Men's and Women's Summer Doubles** leagues, teams in each division or section will play each season against each other team in that particular division or section. There will be two stages in the Summer Doubles Premier Division and Division 1 competitions. In Stage 1, teams will play once against each other team in their division with each team's final standing determining its position in either the Championship or Relegation Stage 2 playoff league. Points won in Stage 1 are not carried forward to Stage 2.

A team's position in the Stage 2 draws will be determined by its final standing In Stage 1.

CHAMPIONSHIP DRAW		#1	#2	#3	#4
1	Group stage #1		R3 HOME	R2 HOME	R1 AWAY
2	Group stage #2	R3 AWAY		R1 HOME	R2 HOME
3	Group stage #3	R2 AWAY	R1 AWAY		R3 HOME
4	Group stage #4	R1 HOME	R2 AWAY	R3 AWAY	

RELEGATION DRAW		#5	#6	#7	#8
1	Group stage #5		R3 HOME	R2 HOME	R1 AWAY
2	Group stage #6	R3 AWAY		R1 HOME	R2 HOME
3	Group stage #7	R2 AWAY	R1 AWAY		R3 HOME
4	Group stage #8	R1 HOME	R2 AWAY	R3 AWAY	

All matches shall be played under the tournament rules of the LTA, so far as these are applicable to and not inconsistent with the rules of this league.

31. Teams must consist of six women, or six men, and each pair shall play three sets against the opposing corresponding pair, with a tie break operating at six games all in each set.

A team which attempts to play a match without the full complement of players shall concede that match unless exceptional circumstances have caused this. A team shall

provide full details of these circumstances to the League Organiser by email within 24 hours of completion of the match – copying in the opposing team captain.

Note: A club's lowest team in a competition may, up to a maximum of two times in a season, consist of four players [instead of six] who will play at pairs 1 and 2 or, in the Senior Players' League, two players [instead of four] who will play at pair 1. The team will concede three sets 0-6 0-6 0-6. The team must advise the opposing team in advance when possible.
If the team thereafter concedes a match in the same competition, Rule 38 will apply and the team will be withdrawn from the competition.

32. Clubs with more than one team in the leagues shall nominate, in writing, the players for all teams of that club before the start of the competition period for that league on a date set by the League Organiser. A team nomination list must have at least the minimum number of players required to play a match and, in the Premier and both sections of Division 1, not more than 10 players.

There is no limit to the number of nominated players in a team in Division 2 and below.

If a nominated list is not received, the team players which represent the team in its first match will be deemed to be nominated.

Players in teams in the Men's and Women's Summer Doubles Premier League must be nominated in ranked order. (refer to Rule 29).

33.

- a. Within the Premier and both sections of Division 1, a nominated player may 'play up' to any higher team **once** without loss of eligibility for their lower team. Within these divisions, once a player has represented any higher team on more than one occasion, the player is no longer eligible to represent the lower team.
- b. Such a player can thereafter become nominated for the next higher team and play again for that team but only if the maximum number of 10 nominated players for that team is not exceeded.
Such a player may replace a player on the higher team's nomination list however any displaced player may not thereafter play for any lower team.
- c. A player may be withdrawn from a team pool but cannot thereafter play for a lower team.
- d. In Division 2 and lower divisions, a nominated player may 'play up' to any higher team **twice** at any time within the competition period without loss of eligibility for their lower team.
i.e. within these divisions, a nominated player may 'play up' to the next higher team two times and to any one other higher team two times.
- e. A player cannot 'play up' two teams if the next higher team has a match scheduled for the same date unless all the nominated players for the next higher team have 'played up' the maximum number of times permitted.

34. Up to 31st May in the Premier and both sections of Division 1 only, one additional player - not previously nominated for any team - may be added to a team list of nominations so long as the number of players in that pool does not exceed 10. Any displaced player may not subsequently play for any other team.

The name of any player to be added to a nomination list must be advised by email to the League Manager no later than 31st May. Note that Rule 29(b) applies to such additional players. In the Premier League, the proposed amended rank order of players must also be submitted for approval.

The club must state in that email that the player is a bona fide member of the club and meets the membership criteria for the club, and that the player is eligible to represent the club in that competition. Before playing any match for the club, the club must ensure that the player is an LTA Advantage Member with membership linked to the club.

If approval has not been provided by the League Manager prior to the match being played, the player is ineligible to play.

35. A club's lowest team in a competition does not require to nominate a pool of players unless any one of that team's players may be required to 'play up' before that player has played a match for the lowest team. If no nomination has been submitted, that player would become a nominated player for the higher team.

There is no limit to the number of players in a club's lowest team in a competition.

A nominated player is ineligible to play in any lower team at any time.

36. A player omitted from a team nomination list who subsequently plays for a team is deemed to be a nominated member of that team if the maximum number of nominated players is not exceeded.

FAQ

- Q. A player who is nominated for the club's 3rd team 'plays up' for the club's 2nd team in the first match of the season. Can the player play for the 3rd team the following day?
- Yes, a player can 'play up' at any time during the competition period.
- Q. Thereafter, the first team captain asks the player to 'play up' to the 1st team. Is this allowed?
- Yes, a player, nominated for a team in Division 2 and below, can 'play up' two times from the 3rd to the 2nd team and also 'play up' to the 1st team two times. In Division 2 and below, a player cannot 'play up' to any one higher team more than twice.

37. To avoid arguments, it is recommended that, prior to a match on courts without floodlights, the captains of each team should agree upon the time limit beyond which play will not be continued.
38. Should the match not be completed (at the expiry of the time limit or because of interruption due to inclement weather) the match shall be continued from the point at which it was stopped, on the same courts, and by the same players as soon thereafter as possible. If it is impossible for all the same players to play on the continuation, up to two substitutes shall be allowed in the same position as the players for whom they are substituting so that the team plays in the same order as the original selection. The rule only operates in the absence of mutual agreement between the clubs, i.e. they may agree to replay the whole match -in which case different teams may be selected.

The players who conclude the match are the players who are recorded online.

Rule 25 will apply in relation to arranging a date to complete the match.

39. If a player is not changed and ready to play 15 minutes after the time appointed for the commencement of the match, the defaulting team shall lose the first set on the court concerned to love. 45 minutes after the time appointed for the commencement of the match, if play has still not started the second set is forfeited. If a player is not changed and ready to play one hour and 15 minutes after the time appointed for the commencement of the match, all three sets are forfeited on all courts. No additional penalty is incurred.

Where further rounds apply (e.g. in the Calcutta Cup, or where a league match is being played at a two-court club) this readiness rule shall operate from the start of each round.

The captain of the non-defaulting team must intimate to the captain of the defaulting team before play starts on the court concerned that he/she is invoking this Rule.

40. **If a team defaults or concedes a match more than once in a season**, all matches played by that team will be declared void, with consequent demotion. In such circumstances, a team in Division 3 or higher in the open and senior players' leagues will be demoted two divisions.

Note that National League rules state that any team giving a walkover cannot participate further in that competition. However, the county office has the power to consider a team's position regarding a team walkover with extenuating circumstances, in which case a team receiving the walkover will win all rubbers 6-0, 6-0 and will receive 12 rubber points and a match win.

41. Any sets (points) won by an ineligible player will be awarded to the opponents. Any sets (points) won by a pair or pairs below the pair containing the ineligible player will also be awarded to the opponents.

In addition, the team fielding the ineligible player will incur a penalty of 3 points.

42. The League Manager has the discretion to reinstate an ineligible player upon application in writing by his / her club.
43. Championship playoff matches will be played between the Section winners of those Divisions which are split into more than one section. The date of these playoffs will be set in advance by the League Manager and may only be changed or postponed with the agreement of the League Manager. In any Division with more than two sections, an appropriate playoff format will be played. Match dates will be scheduled and published at the start of the season.
Playoff information and arrangements can be found in **Appendix 1**
44. The winners of the Premier Divisions will be the West of Scotland champions for that season.
45. The club with the highest number of points in a league shall be the champion club of the division or section. Should the points be equal, the head to head result will determine the winner. This will also determine the position of any two teams in a division with equal points.
Where more than two teams are tied, then the team with the higher percentage of games won to games played shall be placed in the higher position.
46. Any team gaining a walkover will be credited with points as detailed below.
Defaulting teams will receive the point penalty as detailed in the table below:-

Team composition	Team receiving walkover	Team defaulting
	Credit	Debit
6 player team	9 points	10 points
4 player team	6 points	7 points
3 player team	6 points	7 points

At the end of a competition period, both teams in any match, which has not been played, will be deemed to have defaulted and the above penalty will be incurred by both teams.

47. The following **scoring options are permitted** and, before the start of the match and preferably when the match is confirmed, both team captains will agree the most appropriate format.

League organiser's order of preference:

- i. Three sets to six with a seven point tie-break played when games are six all. This is the preferred scoring option. The formats below should only be played in exceptional circumstances and with both team captains' agreement.
- ii. As (i) but with a championship tie-break [first to ten points and winning by two clear points] played as the third set.
- iii. Three short sets to four with a seven point tie-break played when games are four all
- iv. As (iii) but with a championship tie-break [first to ten points and winning by two clear points] played as the third set.

48. One point shall be awarded for each set won

49. **Men's and Women's 60 & Over Summer Doubles** teams must consist of four women, or four men, and each pair shall play three sets against the opposing corresponding pair, with a tie break operating at six games all in each set. One of the alternative scoring formats may be used [Rule 47] if both captains agree.

The home team captain should confirm the start time when confirming the match. A match start time should not be before 1:00 pm or after 3:00 pm.

A team which attempts to play a match without the full complement of players shall concede that match however

- A club's lowest team in this competition may, **up to a maximum of two times** in a season, consist of two players [instead of four] who will play at pair 1. The team will concede three sets at second pair 0-6 0-6 0-6. The team must advise the opposing team in advance when possible. If the team thereafter concedes a match in the same competition, Rule 33 will apply and the team will be withdrawn from the competition.

50. In the 60 & Over league competition, participating players should reach the age of 60 by 31st December in the year of the competition.

51. The **Men's and Women's 40 and 55 & Over** competitions shall be open to all affiliated clubs. A club may enter one team into each competition.
52. In the 40 & Over age group competition, participating players should reach the age of 40 by 31st December in the year of the competition. In the 55 & Over age group competition, participating players should reach the age of 55 by 31st December in the year of the competition.
53. Teams must consist of two couples played in order of strength determined by the team captain. Once an order of pairs is established in a competition, that order cannot be reversed in the same competition [Refer Rule 28]. Each couple will play a best of three sets match against the equivalent couple of the other team. Tie-breaks will operate at 6 games all in all sets.
Alternative scoring formats as described in Rule 47 may be used by mutual agreement of team captains.
54. Matches will be played on dates set by the League Manager or on an earlier date. Matches which are postponed because of the weather should be arranged on a mutually agreeable day during the following week and before the date set for the next round.
55. The team winning more sets will progress. If sets won are equal then games won will decide. In the event of a tie, the result of the match between the two first couples will decide the tie.
56. The match score must be entered online within 24 hours of the match being concluded.
57. A team which gives a walkover to its opponents in its first match is not eligible to participate in the Consolation Event.
58. The **Clydesdale Cup** competition shall be open to all affiliated clubs. If the entry is sufficient, the draw shall be made in two divisions. Placement into each division will be based on the position of the first men's and first women's team in that season's Summer Doubles leagues.
59. Each team shall consist of 3 mixed couples. The captain of each team shall place pairs in order of playing strength which shall then be placed against the equivalent pairs of the opposing team.

60. Each pair shall play three sets against the opposing corresponding pair with the tie break operating at six games all in each set. Alternative scoring formats as described in Rule 47 may be used by mutual agreement of team captains.
61. The competition format is an elimination draw with the team winning the majority of sets progressing to the next round. The dates of the various rounds shall be decided by the League Manager.
62. The **Senior Calcutta Cup** competition shall be open to men's teams from affiliated clubs in Divisions 1, 2 and 3 of the Men's Summer Doubles league competition.
63. The **Junior Calcutta Cup** competition shall be open to men's teams from affiliated clubs in Division 4 and below of the Men's Summer Doubles league competition
64. Only players eligible to represent teams in that season's competition may participate. Any player nominated for a lower team may play at any stage of the competition irrespective of the number of times that player may have 'played up' that season in league competitions.

Each team shall consist of a **minimum of 4 and a maximum of 5 players** and each fixture shall consist of 3 singles matches (to be played first unless mutually agreed otherwise by both team captains) and two doubles rubbers. Each rubber shall be determined by the best of three tie-break sets with a match tie-break, first to 10 points and winning by 2 clear points, being played at one set all. Alternative scoring formats as described in Rule 47 may be used by mutual agreement of team captains.

The order of play in both singles and doubles, in each round of the competition, shall be determined by the team captain. Doubles pairs and the order of these pairings should be declared at the start of the match and cannot thereafter be changed.

If a team wins all three singles rubbers and then loses both doubles rubbers, this will be deemed a 'draw' with the winning team decided by a 10 point shoot-out between one doubles pair, made up of one player from each of the doubles pairings, from each team.

A team conceding a doubles rubber will forfeit any subsequent shoot-out.

65. The final shall be played on the grounds of Hamilton Lawn Tennis Club if requested by that club.
66. In each round of the Calcutta Cup, the home team captain must offer at least two dates to the away team at least one week before the first date offered. In the event of failure to agree a date, the match will be played on the 'play by' date with a 1.00 pm start time. The date and time of the final will be decided annually by the League Manager.

67. **Winter Knock-Out Inter-Club Shield** teams will consist of two men and two women. A match will consist of four rubbers: men's doubles, women's doubles and two mixed doubles. Rubbers will be the best of 3 sets, with a tie-break in the first two and a championship match tie break (first to 10 points and winning by 2 clear points) played if one set all. Substitutes are not allowed. The men's and women's doubles will be played first followed by two mixed doubles rubbers. Alternative scoring formats as described in Rule 47 may be used by mutual agreement of team captains.
68. Clubs may enter only one team for the knock-out competition.
69. The result of a match is decided by rubbers won. Where rubbers are equal, sets are counted and the team with the most sets is the winner. Where sets are equal, games are counted, and the team with the higher games' percentage is the winner. Games percentage is counted by dividing the number of games won by the total number of games played. If games are equal, the result of the match between the first mixed pairs will decide.
70. If a match is interrupted by inclement weather, the match may be resumed at the score where stopped provided the teams remain the same and the match is resumed on the courts where started. If any new team members are introduced, the match must be replayed from the beginning.
71. The **Winter League** competition is run as separate Monday Floodlight and Sunday Afternoon leagues whose matches are played on a set day of the week. Clubs entering the evening leagues should have three floodlight all-weather courts available. Clubs may enter up to two teams in each league.
72. Matches may be played indoors however notice of this, by text or by telephone, must be given to the away team captain at least one week prior to the date of the match otherwise the away team may claim home advantage but must play on the scheduled match date.
73. Matches shall be played on the dates fixed, unless teams agree to postpone on the day because of bad weather. Postponed matches will be played on the same day of the week one week later, failing which on the first date suitable to both clubs.
74. Teams must consist of 3 ladies and 3 men, and each match in the Monday Floodlight league consists of three mixed doubles pairs played in order of strength determined by the team captain and in the Sunday Afternoon leagues consists of one women's doubles pair, one men's doubles pair and one mixed doubles pair - each of three sets with tie breaks in each set if needed.

Alternative scoring formats as described in Rule 47 may be used by mutual agreement of team captains.

75. One point shall be awarded for each set won in all winter competitions.
76. In the **Spring Singles** league, an affiliated club may enter up to 2 women's and 2 men's teams. Additional teams may be entered if a club has access to six courts to play two home matches on the same day.
77. Separate women's and men's leagues will operate, divided into divisions and sections as deemed necessary.
78. Each team shall consist of 3 players. Each player must have a current Advantage Membership / World Tennis number linked to the club that he/she is representing. Join Advantage Tennis at www.lta.org.uk/advantage and link your membership to your club or venue. Add a new venue by 'managing your account' after logging into your personal player profile at www.lta.org.uk
79. Fixtures will be played on Saturdays or Sundays, determined by the home team captain, starting at 10.00 a.m. on the weekend dates fixed by the League Manager and issued before the start of the competition. In the event of a fixture being incomplete or unable to start because of bad weather, the match will start at 10.00 a.m. on the following day; or, if both clubs agree, at 6.30 p.m. on an evening before the next scheduled round of fixtures in this competition.
80. Clubs with more than one team in this competition must nominate players for all teams by the Monday prior to the first scheduled match in the competition. A maximum of 6 players may be nominated for a 1st team with any player nominated for a lower team able to 'play up' once. The principles of Rule 33 apply.
81. Each rubber will be the best of three tie-break sets with the option of any deciding third set being a full tie-break set or a 10 point match tie-break set recorded as 1-0 or 0-1.
82. The order of play shall be determined **by players' singles World Tennis Numbers** at the time of the match. It will be the responsibility of each team captain to ascertain current singles World Tennis Numbers before the start of each match as this number changes on a regular basis.

83. If clubs have a women's and a men's team home match on the same day, the men's fixture should start at 10.00 a.m. and the women's tie will start at 12.00 noon.
84. One point shall be awarded for each set won in each rubber. A match can award a minimum of 6 and a maximum of 9 points.

The final standings in each division shall be determined by the following:

1. The team with the greatest number of points.
2. If two teams are level on points, the head-to-head result.
3. If the head-to-head result is a draw, by set difference.
4. If more than 2 teams are level, by set difference.

Men's & Women's Senior Players' – 40 & Over Leagues

Additional Rules to those of the Summer Doubles League.

85. Teams must consist of four women, or four men, and each pair shall play three sets against the opposing corresponding pair, with a tie break operating at six games all in each set.
- A team which attempts to play a match without the full complement of players shall concede that match however
- A club's lowest team in this competition may, **up to a maximum of two times** in a season, consist of two players [instead of four] who will play at pair 1. The team will concede three sets at second pair 0-6 0-6 0-6. The team must advise the opposing team in advance when possible. If the team thereafter concedes a match in the same competition, Rule 34 will apply and the team will be withdrawn from the competition.
86. One point shall be awarded for each set won
87. In the Senior Players' League, participating men and women should reach the age of 40 by 31st December in the year of the competition.

APPENDICES

SUMMER DOUBLES LEAGUES

CHAMPIONSHIP & PROMOTION/RELEGATION PLAYOFFS

MATCH ARRANGEMENTS

1. Playoff matches will be played on dates set by the League Manager and published at the start of the season [see below]
2. On the day of the match, teams should report early so that play, not the warm-up, has started no later than 6.30 pm
3. Playoffs in Divisions with three sections will take the form of a round robin and matches will be played on the set dates shown online.
4. Playoffs in Divisions with four sections will take the form of an elimination draw with semi-final and final matches will be played on the set dates shown online.
5. A team which is drawn at 'home' but has no floodlights will arrange the match at an alternative venue or give up home advantage to its opponents unless both teams agree to a 6.00 pm or earlier start.
6. Team players must be eligible to represent the team according to the nominations submitted at the start of the season and must have played at least once in the same season's competition. A player may be brought up from a lower team so long as he/she has played at least once for the club during the same season in the senior league competition and even although he/she may have played up twice in the same season for the higher team.
7. With regard to player eligibility, playoff matches are deemed to be part of that year's 'summer' season. [Refer Rule 4]
8. The home team captain must confirm match arrangements with the opposing captain no later than one week before the match is due to be played.
9. If the weather does not allow the match to be played on the due date, it will be played at the same venue one week later and will take precedence over other arranged matches.
10. Please note that dates of playoffs cannot be changed and other matches, scheduled for the same date, must be rescheduled if there is not sufficient number of courts to play both or if the matches involves the same players. If a match needs to be rescheduled because of a playoff match, the home team captain must offer three dates and the away captain must accept one of the offered dates.
11. Match scores must be submitted online by the winning team captain within 24 hours of the match being completed.
12. When possible, championship trophies will be presented after completion of the match.

2022 playoff dates: Women Tuesday 16th August

Men Friday 19th August

Round Robin Monday 15th – Friday 19th August

SPECIAL ARRANGEMENTS FOR PREMIER & DIVISION 1 SECTIONS

- a) In the Men's & Women's Premier League and Divisions 1/1 and 1/2, Stage 1 has 8 teams playing once against each other in match weeks 1 – 7. Any matches in Stage 1 which have been postponed or cancelled must be played no later than the Sunday following the last scheduled Stage 1 date. Such matches can take precedence over other arranged matches.
- b) The final standing of a team determines for which Stage 2 draw it qualifies. The top 4 teams will compete in a 'Championship' Group and play once against each other. The position in the draw is determined by the team's final standing in Stage 1 [ref. Rule 30].
- c) Teams which finish Stage 1 in positions 5 – 8 will compete in a 'Relegation' Group with position in the draw determined by its final standing in Stage 1.
- d) In the Premier and Division 1/1, the team which finishes in bottom place in this Group will be relegated to the next lowest division with the second from bottom placed team qualifying for a 'promotion/relegation' playoff against the second placed team in the division below.
- e) In Division 1/2, the two bottom-placed teams at the end of Stage 2 will be relegated with the top and second placed team qualifying for a 'promotion/relegation' playoff against the teams which finished in second position in both sections of Division 2.
- f) The team which finishes top of the 'Championship' Group in both sections of Division 1 will be promoted to the higher division. The team which finishes in second position will qualify for a 'promotion/relegation' playoff against the second bottom placed team in the 'Relegation' Groups of both the Premier and Division 1.
- g) The team which finishes top of the 'Championship' Group in each division will be the champion team of that division for that season.
- h) Home ties in Match weeks 8-10 take precedence over any other club matches scheduled. For clubs with 6 or more courts, two matches should be played alongside each other in preference to rescheduling.
- i) When arranging fixtures at the start of the season, clubs in these leagues should consider not scheduling home ties for Tuesdays or Fridays in match weeks 8 – 10 in June.

SUMMER SEASON 22 – Post-match hospitality

Post-match hospitality for West of Scotland Summer Season matches was discussed at the three virtual meetings held this week for club representatives and team captains. Polls were carried out at two of the meetings to determine whether there should be a return to providing post-match hospitality for visiting teams.

The majority view of those attending the meetings was that there should not be a return to this provision but that a drink offered to the opposition would still provide an opportunity for player interaction if players wished to do so. This arrangement should not cause any offence to the home team if players would rather leave after the match has concluded.

At a meeting of junior team captains, it was felt that the two teams coming together even for a short time after a match helped in the players' social development and so should still be encouraged. A drink is all that needs to be provided.

It was also noted that even a short post-match period for teams allows an exchange of player information and confirmation of match scores prior to recording online.

The above is the default arrangement for post-match hospitality this season. If both team captains agree in advance to provide more than a drink, this will be seen as an individual arrangement and is acceptable.

This Rule will remain in place for all Summer and Winter Season matches. A further review will be held before the start of the 2023 season.
