For more than 20 years we have been running a **Train Like a Pro** week in Florence, Italy, which is aimed at enthusiastic young Scottish tennis players who enjoy competitive tennis.

This week has helped to motivate and inspire many of Scotland's good juniors like Hamish Stewart and Caitlin Steel, and more recently others like Tom Sproule and Luisa Cartwright.

This is an intensive week of training on clay courts with off court physical work and match-play against Italian players.

It is also great fun and a wonderful life experience.
